16th Sunday of Year A - Mass Book page 105

Fr. Paul writes:

There is always the temptation within any community fired by a great ideal of perfection to become a Church of the pure. Today's readings reveal to us the definite desire of God to save the good grain but also to let the not-so-good grain co-exist with the good until the time of the harvest. Though we must hate vices, we must never cease to love people. The tiny seeds lost in the broad field of the world will grow and blossom. The Church is a Church of sinners who trust and hope in the mercy of God and who try in their own lives to show mercy to those around them who like themselves have failings and weaknesses.

NOTICES

Growing in Faith Campaign

The total raised in the parish was an amazing £171,000! Over £48,000 will be coming back to the parish for the repair of the Church roof. Many thanks to all who were able to contribute and many thanks to the volunteers whose efforts resulted in raising £74,000 of the total. Thanks to everyone who considered a pledge but for completely understandable reasons were unable to commit themselves.
