*Fr Paul writes:*

*I'm hoping that there will be a response to last weekend's appeal by Maurice Smith regarding the re-establishing of The St Vincent de Paul Society here in our parish. There is a follow-up meeting on Monday at 7.30pm in the Parish Hall, where further information about the Society will be given. If you can't make the meeting but are interested please let me know.*

*The Diocese is anxious in the light of Pope Francis' words that every parish tries to do something practical regarding helping the thousands of migrants who are seeking help. In consultation with local authorities it is wanting to provide information regarding local offers of help ranging from helping with language, accommodation, befriending or providing basic resources. It would be good to know if anyone is thinking along these lines so that we can get that information together and let it become part of the diocesan response to this awful situation.*
